

## Team Member Referral Bonus

It pays to refer team members!

If you refer a candidate and they are hired you receive \$500.00 on their 90-day employment anniversary and \$500.00 on their 180-day employment anniversary – that's \$1,000.00!

To be eligible the new team member cannot be a re-hire and they must remain actively employed at full-time status for that 180-day period.

This form needs to be completed and submitted to Human Resources prior to the candidate's hire.
