Voluntary Life Insurance!!

We are excited to be offering Voluntary Life Insurance in addition to the company paid life insurance!

- Benefit eligible Team Members will be able to purchase life insurance through American Public Life and have their premiums payroll deducted.
- This is exciting because it is a group policy that will not require a physical or evidence of insurability if you enroll now when the plan is initially being implemented. This is a great opportunity – it is guaranteed coverage!
- You can purchase life insurance for yourself, spouse and children.
- With offering a group plan to guarantee coverage, we need to document we have offered it to everyone that is benefit eligible.
- If you currently have a policy with Colonial Life you can continue that plan but will be responsible for arranging payments directly to Colonial Life, they will no longer be payroll deducted. All Colonial Life participants will be receiving a letter regarding their coverage in the mail.
- **All benefit eligible team members (40 hours + per pay period) must complete a form either enrolling or declining to confirm acknowledgement of the benefit.**
- **All forms need to be returned to your administrator by June 5th, 2023.**
- **Coverage will be effective July 1st, 2023.**

Pella - Paying It Forward

Corporate Style

Occasionally unexpected mishaps occur and such is the nature of life in a facility full of constant activity like Winning Wheels. Late last summer, a lawncare mishap found one of the custom windows for a resident's room on C-wing in need of repair, possibly replacement. As fate would have it, the windows are not just a standard window that can easily be purchased off the shelf and popped into place. Our windows on C-wing are custom made by Pella to fit exactly the measurement of each of the room windows for this wing. Each window is just a little bit different than the next and once quotes were gotten for both repair and replacement it was found to be cheaper to replace the window and sash. Still with that being said, it would be a costly endeavor that would cost the facility as much as a couple thousand dollars not including the cost of installation.

That's where the good folks at Pella Window Company come in to play. As a "Goodwill" gesture, Pella offered to manufacture and install the new window at no cost to Winning Wheels! On April 18th service technicians from Pella arrived on the scene with window in hand to efficiently and professionally complete the repair and install a brand new complete upper and lower window sash.

Winning Wheels would like to express its sincere gratitude by saying THANK YOU Pella!! Thank you for proving you're never too big to pay it forward – now that's customer service!
