## THE HUB

SEPTEMBER 2022

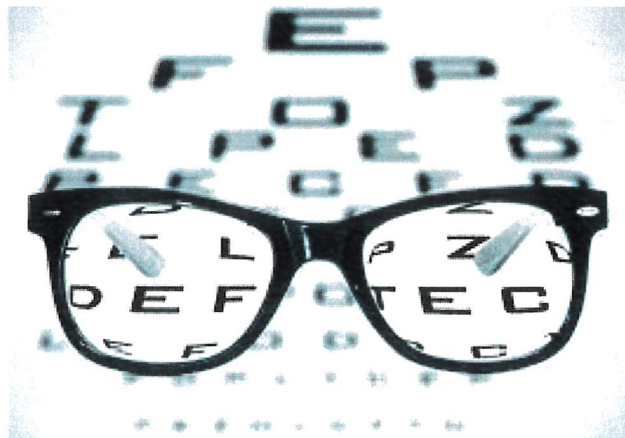

***Are you seeing clearly?***

**It may be time for a vision visit!**

Full-time team members receive company paid = “free” vision insurance. Take advantage of it by having a routine eye exam completed!

- There are not cards specifically for the vision coverage – it is through United HealthCare and you would use your social security number as your member ID.
- You can use the [myuhc.com](http://myuhc.com) portal to check coverage, providers, etc. or call United HealthCare customer service at 1-800-657-8205

***Vision insurance is an important key to your overall health!***
